

Child Officer Report.

It has been a very enjoyable year where I have had the opportunity to meet and speak with athlete's coaches and parents.

I would like to thank the Officers of Cork Athletics County Board for their support and advice especially Mary Meagher, Anne Murray, Bill Allen John Copithorne and in particular John Quigley for his invaluable support advice and hard work.

I would also like to thank David Mathew for organising coaching courses workshops and his support over the year. Kieron Stout for providing child welfare courses advice and support.

Kind Regards
Mary Fitzgerald.
