

Cork County Juvenile “B” T&F and Relay Championships CIT, Sunday 25th May

There was a huge turnout for the Cork County Juvenile “B” T&F and relay championships in CIT on 25th May. The relays were well supported with Midleton AC, Bandon AC, Lisscarroll AC, Leevale AC, Doheny AC, Riverstick-Kinsale AC, Belgooly AC, Youghal AC and Carrig na bhfear AC among the medal winners.

In the “B” championships the competition was very good with some outstanding performances. It was two or three weeks after the “A” championships and as a result of more training there was a marked improvement in standards from most athletes. It was great to see proud parents leave CIT with their children having won County medals. The championships are run voluntarily by people who give of their time unselfishly and a big thank you to all who helped in any way to make it a happy experience for our young athletes.

Well done to all who competed and full results can be found on www.corkathletics.com
