

Chapter 7 - ASPECTS OF THE SPORT

This Chapter deals with different aspects of the sport which are not covered elsewhere in this publication. These vary from road running as epitomised in the County by the Ballycotton Series and the '10' miler to the International track & field meet that is now the City Sports. A review of Mountain Running is included and there will be those who will well remember the 'Multi-Eventers' that the UCC Athletic Club hosted for many a year and at which a future Olympic decathlete first competed in one.

The full list, in order, is as follows -

Ballycotton Road Races - John Walshe
Cork City Sports - James Kelleher
East Cork Athletic Board - Dan McCarthy
EVENING ECHO Mini-Marathon - Pat Walshe
Mountain Running - Denis Hegarty
Multi-Events at UCC - Colm Murphy
The Team Manager - Joe O'Flynn
