

Left to right: John Linehan (2nd); Jerry Kiernan (1st) and Neil Cusack (3rd).

Jerry Kiernan maintained his unbeaten sequence in road races in Cork when recording the exceptionally fast time of 47 min. 9 sec. in the Belgooly "10" over a difficult 10 mile course.

He finished 43 secs. ahead of John Linehan with Neil Cusack a further 15 seconds back. The former All-Ireland champion John Buckley won the over 35 price and John O'Leary won the over 40 prize.

There was a sensational result in the Ladies Section when N.A.C.A. runner Marese Cullen from Castlepollard, Co. Westmeath finished 77 seconds ahead of the favourite, Catherine Hourihan in the brilliant time of 58 mins. 48 secs.

There was a turnout of over 500 for the race, sponsored generously by Adidas. Many of the runners in the race had numerous complaints to make, particularly in regard to the late start which was due to some person parking a car about 100 yards in front of the starting point and the fact also that there were no times called out at any of the mile markers.
