Presidents Message

Welcome to the Half Marathon Championships of Ireland and Fun Run, which is being hosted this year by the members of West Waterford Athletic Club in this beautiful part of County Waterford.

The Half Marathon Championship is an important part of Athletics Ireland calendar, combined with the Fun Run element and with one of the largest number of competitors ever for this event, it should prove to be a stimulating, entertaining and challenging day for all involved.

West Waterford have a strong and successful record of organising events, months of hard work behind the scenes goes into putting all the elements of a Half Marathon competition together, I would like to thank John Mc Grath, the committee and members of the club whose generous and selfless work makes this day possible.

My sincere thanks to Blackwater Homes, Waterford Crystal, Civil Defence and the members of an Garda Siochana.

To all of the athletes participating today, perhaps for the first time, I wish you a successful day and hope you will all achieve your personal goals.

Yours in athletics

Sunday 31st August 2003. Hosted By West Waterford A.C.

WEST WATERFORD ATHLETIC CLUB

CHAIRMAN'S ADDRESS.

On behalf of your hosts for the 2003 National Half Marathon Championships West Waterford Athletic Club, it gives me great pleasure to welcome all the athletes, their families, friends and supporters to Dungarvan today, a special welcome also to the administrators from the Athletic Association of Ireland who have made the journey.

We at West Waterford are proud and privileged to have organised what, to the best of our knowledge, is the largest field ever assembled for this particular championship race, to my fellow club members who were involved in the organisation of this event you have done yourselves and our Club proud once again.

The race could not have been staged without the help of a generous sponsor and we were very lucky to have on board with us as sponsor Blackwater Homes, to Managing Director, Kevin Curtin, a huge thank you for your contribution to this event, and Kevin will even be making the ultimate sacrifice by participating in the race itself, we wish him and all the athletes taking part an enjoyable race and hopefully plenty of PB's will be the order of the day. Our thanks to the Gardai under Sergeant Mick Lacy for their co-operation with the race and to St Augustines College for once again having their superb facility at our disposal. Our gratitude is extended also to Waterford Crystal for providing the first three men's and ladies crystal prizes. To all the stewards etc. out on the course your contribution is immense to the success of the event.

Finally to all athletes, today is the day we all have trained for over the last couples of months and hopefully for everyone the miles covered will pay dividends and all your expectations will be met. Enjoy the race.
